**APPLICATION TO CONNECT
PERMANENT ELECTRICAL SERVICE
(This is not an occupancy permit)**

Accordance with the Virginia Uniform Statewide Building Code

SECTION 116.0 – Certificate of Occupancy

“A certificate of Occupancy indicating completion of the work for which a permit was issued shall be obtained prior to the occupancy of any building or structure...”

By signing this application, I FULLY UNDERSTAND this document is for the connection of the Electrical Service **ONLY** and NOT for OCCUPANCY of the Structure.

I realize that the building cannot be occupied until all Final Inspections are made and approved and/or a Certificate of Occupancy has been issued.

I understand if I occupy or allow occupancy in any manner, that I will be in violation of the Virginia Uniform Statewide Building Code and do hereby give permission to the Town of Pulaski, Va. Building and Inspections Division to have the electrical service disconnected from the building or structure.
